U.S. Out of weapons<

_That's the key reason they gave Ukraine cluster munitions.

_At the same time EU had depleted their ammunition , munitions and stock reserve

(This crises has been going on for over a year)

>France abd UK send a few long range missiles to Ukraine

... But Ukraine needs thousands of them if they want to have a small chance against Russia.

The Russian air defense would destroy more than 70% of all missile attacks..... And Ukraine must fire over 50 in order to hit one target in Russia.....

(And each missile cost around 1.5 million and NATO countries doesn't want to share these few missiles to Ukraine).

CABLES>]; LITHUANIA IS IN A DEATH GRIP CONTROLLED BY CIA/ MI6/ [DS] PENTAGON REGIMEN.

> The only way they can break this death grip is by staging a War against Russia!

_Game theory operations by military assessment configurations say Lithuania wants to deliberately create chaos/ fear in their country and in their Economic structure and create MASSIVE civil unrest that would lead to over overthrow of their [ds] government.

(I had stated this statement weeks ago that Lithuania wanted to intentionally create a civil (near) war in their own country... To overthrow the CIA regimen that was controlling their country)
BEHIND THE SCENES>]; WHITE HATS ALLIANCE WILL START MOVING THE LITHUANIAN PEOPLE TO MASSIVE PROTEST AND DROPPING CLASSIFIED DEEP STATE INFO INTO THE COUNTRY.

As we move closer into the hard parts of STORM the EU nations are heavily unaware a MAJOR COLLAPSE of the EU will happen sending the

nations into 3 rd world countries for months.

_THIS GAME THEORY PLAN WILL AWAKEN THE SLEEPING EU NATIONS INTO TAKING ACTION AGAINST THEIR GOVERNMENTS AND NEXT COMING PLAMDEMIC ATTACK AND VACCINES ATTEMPT AND FALSE CLIMATE AGENDA....

I have been telling you for a long time, these EVENTS were necessary <

They lead to nations rebelling against the NEW WORLD ORDER, UN. CIA. ROCKEFELLERS. ROTHSCHILD, WORLD BANKS ECT ECT ECT_CONTROL<

THE COLLAPSE INCOMING ARE GAME THEORY OPERATIONS.

MILITARY IS THE ONLY

IT HAD TO BE THIS WAY.

NOTHING CAN STOP WHAT IS COMING

WESTERN COUNTRIES ARE COMPLETELY RUNNING OUT OF AMMUNITION <

_NEXT PHASES LEAD TO NUCLEAR STANDOFF

(There are SAFE GUARDS in place from a real nuclear war and fallout to happen)

But this EVENT>WILL LEAD TO THE BIGGEST NATO NATIONS to be overthrow by their own people<

And they WILL FIGHT TO RETURN TRUTH AND HONEST POWER TO THEIR COUNTRIES WITH OUT A CIA/ MI6/DARPA/ECT ECT OPS CONTROLLING THEIR COUNTRY.

It must look like the people fought for their countries and seized power.

GAME THEORY MILITARY OPERATIONS

THE STORM
