The number #1 country in the world with tier one data base and the best IT network is in New Zealand with the national healthcare , government and vaccine data base. >And the one person in charge of building the data system and being in charge of the tier one network just came forward as a whistleblower with the hidden data from the New Zealand governments science ,healthcare and data tier one records. And he shows that one in four people who took vaccines are dying. Barry Young whom was in charge of the Tier one days base says he felt it was his duty and his calling through God to do the right thing and expose the truth of the deaths from vaccines and he knew they were going to arrest him and bring him down for doing this in his interview to a top journalist in the country. Within hours of interview Barry Young was arrested and his lawyer were also being indicted along with the journalist (now the New Zealand government is trying to spin the story)..... Fortunately the EXPOSURE and TRUTH is already hitting the world wide web and expected to hit over a billion views in a few days.

_The Pentagon who pushed vaccines now has their own doctor stepping forward and saying heart failure among the military has spiked over 900% increase in soldiers, this comes off their own data base of the military and was EXPOSED by Lieutenant Ted Macie
>Pentagon data shows heart failure spiked nearly 1,000% among pilots in 2022: whistleblower

_Currently in Congress major Whistleblowers from the U.S. and top EU insurance agencies (who have massive data of insurance clients deaths happening directly after vaccine injections support Spiked by 700% , while the non-vaccinated deaths stayed the same) are talking with Congress and getting their protection to come forward as whistleblowers.

_BEHIND THE SCENES]]; Congress and the Senate white hats are going after the vaccine cover-up and corruption, that will connect a world wide ELITE operations being run by globalist (currently several senators and Congress have already divulged information on ELITES controlling WHO . connected to Gates > WEF)

> The Senate is waiting on military alliance operations in several countries to bring forward MAJOR Whistleblowers in healthcare industry, military networks and government orgs,>>> including the 2024 military leaks of the COVID creation and vaccine planned agenda dating back to 1999 2007 2013 <<<

The MASSIVE walls are breaking< of the man made COVID pandemic, man made creation of the virus and man made death vaccines!!!
And it's happening and growing in real time, and behind the scenes the health care industry and the doctors and their leaders are facing a truth that they helped kill millions of people around the world..... The TRUTH is beginning to sink in and major panic is happening as healthcare systems around the world are asking the governments to censor the internet and shut down whistleblowers and free speech.
PANIC PANIC is happening as they know TOP WHISTLEBLOWERS ARE COMING FORWARD AND MASSIVE DATA LEAKS IS OCCURRING MYSTERIOUSLY<

_The Globalist deep state cabal operations is failing on a grand scale

BEHIND THE SCENES>];
MASSIVE MASSIVE PANIC INSIDE OF W.H.O. AND WEF AS THEIR COMPUTERS AND SYSTEMS HAVE BEEN CYBER-ATTACKED THE PAST 3 MONTHS
([They] try desperately to keep the data breaches hidden)

What happens when Israel money is connected to Antony Blinken, Obama, Bushs CIA, MOSSAD , [EPSTEIN]... GEORGE SOROS CONTROL OVER U.S. COURTS ?
How did Israel finance the DNC and bribe congressman and the Senate to come under Israeli Power and control?
How does Israel control YouTube, Google Facebook?
How long has the KAZARIAN Mafia (Rothschilds , Rockefellers come from same region and both funded WW1 WW2 with the Bushs and families of the Bilderburger group (DAVOS +WEF +IMF +ETC) had control of most of world elections

Q) The Storm Rider /Official Page, [12/7/23 8:08 PM UTC](#)

What happens when the world White hats operations go after the ESTABLISHMENT OF THE DEEP STATE/KAZARIANS /GLOBALIST/ CORRUPT

CIA. FBI / EX PRESIDENTS AND THEIR REGIMENS?

>* It's already happening and the EVENTS are increasing<<<<<

Everything is leading to Crimes Against Humanity.

_remember >[INFILTRATION] is the key

BEHIND THE SCENES>]; White hats inside UN are pushing for War Crimes And crimes Against Humanity against Israeli leader Netanyahu. And the UN general assembly is pushing world courts for 2024 INDICTMENT against NETANYAHU

(In this same time the true Good Israeli people will have a revolution in their country and a military coup will happen against the Fake KAZARIANS_In the same time in the U.S. the collapse of JP Morgan will begin with world banks and the exposure of [EPSTEIN] WILL FOLLOW IN _at the same time Congress will EXPOSE the control of Israeli money over cia.rinos. dnc, wall street and decades of corruption of the Washington DC SWAMP <

_BEHIND THE SCENE>]; A POWERFUL INTELLIGENCE IS HELPING

The Great Awakening leads to SUPER INTELLIGENCE and the understanding why humanity was kept in the dark for so long.

BOTH the DEEP STATE and While hats ALLIANCE want to reveal the POWERFUL HIDDEN TECHNOLOGY..... But only one wants to use the high tech to save humanity.

And only one confer's with the future.

Nato.mi6 and Globalist to start a war that in hopes would lead to NATO CAPTURING MOSCOW RUSSIA AND TAKING OVER RUSSIAN GDP AND TRILLIONS IN ONE OF THE WORLDS BIGGEST LITHIUM RESERVES

AND NATO/UN /DAVOS CIA had plans to kill millions of Ukraine's through aproxy war that would garner world support (meaning trillions in rebuilding Ukraine with world money and influence and turning Ukraine back into the power house of KHAZAR KAZARIAN control and they had plans to bring in the Jewish people in settlement operations and build a Ukrainian nation

Behind the scenes>[: NATO COLLAPSING
The whole reason the whole reason NATO exists is because it wants to
defeat Russia
Or wanted to defend it's local countries against the Soviet empire ,
which more doesn't exist anymore
>.. Now NATO member countries see NATO has stolen money from
countries and lied about military wins and assessment... And nato
countries do not see a need for nato as they failed their only job to
defeat Russia.
Nato could not Provid the troops and military to defeat Russia .. And
now Turkey plans to join the war in middle east and leave NATO .
