The PLAN to save the world

WIRES>: Ben F

(From different parts of the world the same INTEL is DROPPing)

What is happening is that a centuries-old Satanic plan to use three world
wars to turn the planet into a giant slave plantation has ended in failure.
The Khazarian Mafia hoped to use this plan to rule the world from Israel
and greater Khazaria (Ukraine+Khazakhstan etc.). Instead, as we shall
see below, the KM have been decisively defeated in the Ukraine and will
soon be in Israel.

"Ukraine is an essential piece that we cannot afford to lose on the
geopolitical chessboard...our current path...means that our global order
is dead on its' feet," admits Nathaniel Rothschild who has taken over the
KM now that much of the Octagon group has been neutralized.

The defeat of this plan means many borders may return to a situation
similar to what existed before the KM engineered World War I, the
sources say.

In other words, Germany will return to something of its' First Reich
borders, the Austro-Hungarian Empire may re-emerge as a republic and
the Turkish Ottoman Empire may once again turn Judea (misleadingly
called Palestine or Israel) into a protectorate. Needless the say the

rights and autonomy of the Poles, Jews and Judeans ("Palestinians"), etc. would be protected under such a scenario.

However, the changes may be more far-reaching than that because the satanic UNITED STATES OF AMERICA CORPORATION is set to be dismantled as a result of the victory of the American people in their second revolution. The Republic of the United States of North America is likely to emerge as a replacement for the corporation when all the dust settles.

This may all sound far-fetched but facts in the real world make this the most likely scenario.

The Jews know their own government attacked them to justify war in the Gaza Strip.

Also, now even Jewish holocaust survivors are getting arrested for antisemitism [anti-satanism].

Haaretz, a major mainstream Israeli Newspaper said:

Prime Minister Benjamin Netanyahu, who is meant to be leading the country, is a haunted politician facing the end of his career, with the present troubles compounding the serious criminal entanglement into which he maneuvered himself with his own hands. Netanyahu does not enjoy the public's confidence, and most of his efforts are invested in his personal survival.

Last week leaders of all the Muslim countries gathered in response to the Satanic massacre of Judeans in Gaza ordered by the Satanist Netanyahu.

At the meeting of the Organization of Islamic Cooperation (IOC) in Saudi Arabia last weekend a consensus was reached to end Israeli mischief once and for all. The IOC countries agreed they would not be fooled by the KM into starting World War III. Instead, they will follow the playbook of the neighbors of the original Khazaria.

The IOC will issue an ultimatum to Israel and its' KM overlords to stop their criminal and anti-social behavior around the world. They will threaten to attack Israel with an army of over 5 million that outnumbers them by 10 to 1 unless they arrest the war criminals in their government

and subject themselves to Turkish guardianship.

This is why Tass reports Turkish President Recep Tayyip Erdogan is planning a "global initiative" to resolve the Gaza crisis.

Rockefeller slave Anthony Blinken gets the cold shoulder in Turkey as he tries to forestall this move. The current US regime has no credibility in the region.

Furthermore, any nuclear blackmail attempt by the Israelis will be countered by Pakistan's nuclear arsenal.

No matter what though, this is not going to turn into the KM's long-planned Gog (the G7) versus Magog (The SCO) all-out nuclear war scenario to kill 90% of humanity. The US, Chinese and Russian militaries will not go along. The US military is no longer under the control of the KM, Pentagon sources explain. Even if compromised leaders try to order such a scenario, 72% of Americans say they will not support their armed forces in the event of a major war. The military rank and file is with the American people and not the KM.

There is also financial warfare taking place against the US Corporation. The Chinese have been dumping US Treasuries in an attempt to collapse the FRB and their Washington DC subsidiary. This prompted the KM to retaliate by hacking Chinese bank computer systems. Reuters reported this attack.

A ransomware attack on the industrial and Commercial Bank of China (ICBC) disrupted some trades in the U.S. Treasury market on Thursday, the Treasury Department said.

Canadian intelligence agency says what really happened was:

"The Fed put out a \$24 TRILLION bond for countries to buy to cover the debt- NO ONE BOUGHT EVEN A PENNY. China bought oil futures from IRAN and paid 33 TRILLION BUT NOT IN US \$ - what does that tell you about the USA in world affairs; THEY ARE FINISHED"

These battles are taking place in the run-up to the summit meeting between “President” Joe Biden and Chinese President Xi Jinping on November 15th. Our sources tell us “Biden” (the Rockefellers) will try to appease Xi by offering the State of California to China.

However, the Chinese have made it clear the US has to “let go of its arrogance and prejudice, and quit its hegemonic, domineering and bullying practices.”

The Chinese foreign ministry notes “the United States has fought or been militarily involved with almost all the 190-odd countries recognized by the United Nations .

One of the worst war criminals in history. Organized child trafficking in Ukraine “spans the entire spectrum from getting a new family somewhere in Western Europe, without the consent or even knowledge of the biological parents, to sex-trafficking, prostitution, pedophilia and how these children are murdered and, among other things, their hearts, kidneys and livers, are sold on an international black market for organ trafficking,” Polish intelligence reports.

Russian Foreign Ministry spokeswoman Maria Zakharova confirms noting “representatives of a health ministry in a NATO country struck a deal with some ‘private businessmen’ who were assisted by Ukraine’s Health Ministry and Presidential Office to deliver a refrigerated train car full of human organs and body parts.”

No wonder the so-called King Charles III of England has been deposed, according to MI6 (white hats)after making a speech claiming among other things:

This will be shut down soon. General Valerii Zaluzhny, commander in chief of the Ukrainian armed forces, launched a military coup in Ukraine. “Understand, there were fifty million of us, now there are less than twenty of us left. If we don’t stop Zelensky, then he will send all Ukrainians to slaughter...I order all military personnel to immediately leave the combat zone and take power in the cities under the control of the military.”

No wonder the KM-controlled Biden show is distancing itself from this. The Washington Post has published a report accusing Ukraine of blowing

up the Nord Stream pipeline. “It looks like Zelensky and his officials are being tossed under the bus. Interesting that this comes out now,” a Mossad official comments.

Germany, meanwhile, is making moves to take over not just Ukraine but Poland and Latvia as well. Germany’s former ambassador to Warsaw, Arndt Freytag von Loringhoven, suggested in a German newspaper that German troops should be stationed in Poland permanently.

The European Union is seeking to introduce a “German plan” that would result in “the annihilation of the Polish state”, Jarosław Kaczyński, the chairman of Poland’s ruling party, warns.

“A ‘Defense Union’ is also to be established, which will be able to use Polish armed forces without the consent of the government in Warsaw,” warns Jerzy Kwaśniewski – President of the Ordo Iuris Institute for Legal Culture. “The European treaties do not contain a definition of the rule of law,” he adds.

The signs are multiplying that the US and Israel are headed for some sort of mega black swan event. The result will be that both countries cease to exist in their present format. That is because the Federal Reserve Board -the fountain of power for the Satanists- is on the verge of collapse. If it goes, then everything under it, such as the UNITED STATES OF AMERICA CORPORATION, the BIS, the World Bank, the IMF, the UN and 90% of the world’s transnational corporations will also collapse and come under new management.

(I agree with many things Ben F Drops.... But I also differ on some things<...as we all do.
