Another FBI [DS] set up on Texas border
(January 6 / > 2.0) event?

Patriot Panic as many believe the convoy to Texas is a set up. For the FBI to stage another false flag event and blame Maga and Patriots.

Green Beret DOC Chambers gave a strong statement saying >Green Berets + Navy Seals will be at the Texas border and they are facilitating the events with the police,, sheriff and INTELLIGENCE to secure a safe gathering on the Texas Border.

—
///It's known that the FBI and deep state government intelligence agencies with CIA use _PATCOM operations to set false flag events that blame the events on U.S. civilians.
>
>WACO Fbi event that killed and burned innocent woman and children to death was a PATCOM [ds] ops
>
>The Oklahoma bombings was a _PATCOM ops by the FBI / CIA
>
>Many more. Other PATCOM ops
>
>.January 6 was a _PATCOM [ds] operations with fbi/ cia / highest levels in the government operations

—
👉 So there is justified panic in the conservative community on the deep state planning to stage PATCOM operations
(False flag event) to blame Maga and Patriots for a civil war set off.

Unfortunately bravery is the only way to stand up to the corruption and "Green Berets + Navy Seal" are there to help facilitate a peaceful

outcome.

_Currently Intelligence is already identifying several people and groups that are already there to stir up problems (they were sent by deep state directives)

It is very important for Patriots and Trump supporters to understand these coming next 11 months are vital for Americans to rise against the UN [DAVOS] [CIA] [CABAL] through the world and many fronts including operations on the Texas Borders.

_This year is a powerful year where U.S. Patriots must pick powerful moments to stand physically in demonstration and give their credence and voice inside actual demonstrations and movements.

This same Bravery of standing against the system is also going to happen in Europe on a massive level.

_The United Operations of the ALLIANCE moves forward, MASSIVE CORRUPTION SCANDALS ARE GOING TO UNFOLD CONNECTED TO UN. VACCINES. UN. GLOBAL WARMING SCAM CONNECTED TO CARBON TAXES AND CONTROL. ////

>EPSTEIN SAGA. IS GOING TO ERUPT INTO DNC, CIA FBI OPERATIONS, COVER-UPS AND COLLUSION. //)
INTELLIGENCE IS GOING TO DROP TRUTH BOMBS ON JANUARY 6 PATCOM OPERATIONS EXPOSURE

A WORLD OF PAIN OF EXPOSURE IS COMING THAT WILL ANGER THE WORLD INCLUDING THE MASSIVE BLACKOUTS, THE NEAR DEATH CIVILIZATION EVENTS_ NUCLEAR WAR, AND MUCH MUCH MORE.

So be very careful and use your wisdom in this time as you BRAVE THE STORM and navigate through the EVENTS to help the world come back into balance inside the Storm my dear friend, Patriots and ANONS

WWG1WGA

The news is fake. The war is real.

Inside the Storm the rising of world citizens and movements is vital in standing against the elite globalist corruption that controls the systems.

Stay strong dear Patriots as we come into a powerful hard year of The Great Awakening Movement.

Bioclandestin channel

HOLY SHIT...

Just when I thought the Biden regime couldn't get any more stupid, they bring John Podesta back into the spotlight.

Why would they make it this easy for us?

Biden just brought in the ringleader of the satanic pedos. Given the Epstein files coming out, this might be the dumbest thing the Deep State could have done. Now citizen journalists are going to recirculate all of his pedophile/satanic activity. But most importantly, we have the free speech platform to do it, and the influence/reach to make a significant impact on public perception. They can't censor us now thanks to Elon.

Now we are going to be pumping out red-pills about the Podestas, making Biden's optics even worse. It's like Zelensky promoting Marina Abramović to oversee school construction in Ukraine. They are making it blatantly obvious where their allegiance lies, confirming they are evil.

It's time to red-pill the public on the Podestas. It's time to dive back down maybe the most disturbing rabbit hole there is... I've been dreading the day I would have to do this, but it must be done.

Stay tuned.

I had DROPPed this important info last year;
-John Podesta is going to come back, and Seth Rich is going to come back and everything will be exposed.

It's all happening and going to grow into a massive story!

Sometimes you really have to wonder why Q knew we were watching a movie. 😏

I have been telling you for a long time... A lot of deep state people actors are being forced to play out their final parts
> They are being forced by Military operations connected to DEVOLUTION PLAN

I have been telling you a lot of the play by play CABLES happening. Long before anyone was talking of nuclear EVENTS or blackouts or Twitter being captured by USSF / MUSK MILITARY INTEL and much much much....

This year is the year Adrenochrome is going to be LEAKED into the world wide public sectors . . . And will connect to the understanding of over 8 million missing children yearly!

Human trafficking is the real Pandemic!. That's why Trump initiated Executive Orders to combat the crisis but also installed covert military operations to bring down world operations in an 8 years Q cycle.

Why do you think the world's biggest pedophile and child trafficker EPSTEIN was arrested under the TRUMP administration?

How does the CIA (Bush's). MOSSAD. Mi6. Globalist. CLINTONS. DAVOS.WEF. UN. + ETC+ all fit into Adrenochrome harvesting and human trafficking ring and pedophilia ring?

/_\

The 33rd degree Masons/ Kazarrians at the highest levels who created world war 1 and World War 2 and funded Hitler with U.S. money (this can still be Google and is inside United States archives) by Prescott Bush (Bush family) and by U.S. backs and UK. (ROCKEFELLERS. JP Morgan. ROTHSCHILDS banking sectors, wall Street etc.)

After these assholes funded Hitler and war 1 & 2 , they also created The United Nations and the plans were layed out at Bohemian Grove California by Globalist at pedophile and human trafficking parties that only included men (now it's proven bohemian grove satanic cult parties and child sacrifice rituals exist for over 130 with world elites and presidents prime ministers and major cotps.)... The United Nations was created for several reasons including a world Money laundering operations to creating protection laws for Globalist or their corporations having diplomatic immunity (they can't be arrested or investigated.....> Example Pfizer working with UN) ... It was planned that WW2 would be stopped by the UN which would then come in as the savior of the world. .. And three years later the UN created Israel (large parts of the plan of creating Israel dates back to 33rd Masons in 1800s who wanted to create Israel to bring war into the middle East and hoped to destroy Israel through planned wars with the Muslim world. After the destruction of Israel the idea was for a savior United Alliance by the cabal (future United Nations) to bring in a one world government through the destruction and war of the middle East that killed all the Jews in Israel.

Now their plan is still happening as they try to bring a massive nuclear event to Israel and try to unite the world against the middle East and the U.S. try to retake control of the middle east oil (this plan is no longer working and falling apart)

But there are many many factors why The United Nations was created by the Kazarrians fake northern Jews (ROTHSCHILDS/ ROCKEFELLERS) who stole the identity of the real Jews There are alot of parts to this story including why ROTHSCHILDS funded Ghislain Maxwells father who worked for MI6. MOSSAD and CIA But this this story focus is to Adrenochrome, John Podesta. Hillary ROCKEFELLER CLINTON and human/ child trafficking industry.

So the Adrenaline sack in the body is shaped like triangle /_\ there is two of them .

A rectangle {LegeNet: I suppose he meant triangle} has 3 sides .

The illuminati hand symbol with both hands makes a triangle. But if you separate the joined hands and show only one hand . You have a

Goat feet (Leonard Nimoy - Spok- hand gesture is the goat feet and he got this idea from Rabbi

Which is the old hand symbol of the Jewish (mainly the Kazar Jews) ...pop culture tries to succeed these goat hand symbols to the Aries goat symbolism...but the real truth is biblical And dates back to Samaria times and sacrifices of goats and drinking the blood in rituals.

Through dark ceremonies connected to Bali Moloch God of child sacrifice and Satanic rituals for evil spiritual guidance or was revealed to them that brutal torcher of humans and children and drinking their blood elevated their satanic spiritual insights.

What was really happening was the Adrenaline sack was producing high amounts of adrenaline and the body was releasing massive amounts of Dopamine, serotonin and at the same time inside the Satanic Torture ritual before death the Penal gland was releasing DMT compounds (DMT is the chemical that makes you dream and also the part of the brain that gives spiritual awareness and intuition in consciousness..... DMT is also found in nature in Ayahuasca plants used for hallucinogenic attributes).... The mixture of the DMT., Large amounts of Adrenaline, dopamine and serotonin in the blood and Penal gland (3rd eye) is what the CABAL, satanic dark descendants of Cain drank and craved. .>Adrenochrome.

This why 33rd Masons highest levels have the Satanic book of Satan and killing is required to enter the Top level (the lower levels of the world 33rd freeMason society are unaware of what they are actually following)

The star of David is two Triangles 3 and 3 upon each other . The old Jewish hand symbol as Leonard Nimoy confirms come from the Jews old tradition society is that of he goat feet. The 3rd eye of the Penal gland is the most valuable commodity of the the ELITES and highest levels of 33rd degree Masons that control and created the United Nations and U.S. Federal reserves (eye on the money symbol) Now you know why MILLIONS OF MISSING CHILDREN EXIST AND [DS] Mil.intell protects the Globalist.

Now you know why TRUMP is going after the Satanic forces and

swamp.

John Podesta is intentionally being pushed back into the spotlight for a reason and military white HATS operations are going to EXPOSE the DARK secrets of the child pedophile trafficking ring and Satanic rituals of the Elites Globalist >>>> EPSTEIN is a huge huge key....

You have more than you know Patriots!!!

Exposing the UN is vital and their connection to the human trafficking through the Southern borders.

Your time to fight the for the children of the world is now and stand up against the comfort corrupt CABAL deep state satanic system.

(This post is not against the Real Jewish people who have been infiltrated by the satanic cabal for thousands of years and now being exploited by Globalist..... More over almost all societies have been infiltrated by the CABAL and thus the reason for military COUPs through the world and corrupt systems in line with hidden human/ child sex trafficking and torture rings of Millions of missing yearly)

The Great Awakening is much more than geopolitics and the exposure of corruption and deep state agenda..... Its connected to Infinite knowledge< INFINITE ENERGY

Golden knowledge of the Light... Holy water.

Water has existed for Quintillions of years of creation here in our universe and different universe's and different dimensions of the past, present and future moments. Scientist still can not really understand water and the Quantum movements of water and especially the full connection water has to the body , mind and (spirit).

The Sacredness of water in the human body is connected to time travel. Infinity.

For centuries it was believed that matter can only exist in three states. Such as water, which can exist as liquid, ice, and vapor. Human cells are seventy percent water but most of this water is not in any of these three states. We have recently learned that with water, there is a fourth state. This fourth state is called the plasma state, gel phase, exclusion zone or structured water. And this is what pushes your blood through the entire cardiovascular system.

Fueled by Infrared energy from its environment, the water in our body becomes an electrical propulsion system. A certain percentage of the water in our body becomes structured water, and the rest remains normal liquid water, or bulk water. The structured water becomes negatively charged and forms the gelatinous outer walls of our capillaries, veins, and arteries. These negatively charged outer walls continuously propel the positively charged bulk water within, carrying the blood with it. This propulsion system will run indefinitely so long as it stays charged. And the way you charge it, is with the earth's electromagnetic field, infrared energy, and positive thought

The work of Dr. Masaru Emoto has scientifically demonstrated that water exposed to loving human words and thoughts is transformed into its natural hexagonal shape. It becomes structured at a molecular level based on our positive intention. This new model shows that it is the blood that pumps the heart, not the other way around. And in order to keep the flow strong and healthy, our best medicine is to connect to the earth, get sunlight, love ourselves, and love one another with physical touch. This shows that it is the blood that pumps the heart, not the other way around. And in order to keep the flow strong and healthy, our best medicine is to connect to the earth, get sunlight, love ourselves, and love one another with physical touch.

Gold in it's purest form does not appear to be gold at all. Under the right conditions, normal physical gold can be transformed into a fine white powder known as monoatomic gold. This monoatomic gold has been studied by multiple advanced laboratories and it has very strange properties. It can be made to levitate and disappear. Monoatomic gold is superconductive.

One of the ways of turning metallic gold into monoatomic gold is by putting it through a high-speed vortex. When this transformation occurs, there is a flash of light, and a forty-four percent loss in weight. The trace amounts of gold in our blood is transformed into monoatomic gold as it travels through the double vortices in the heart. Creating the spark of life,.. This vortex system creates an energetic field around the heart.

👉 (This information is shared from Doctors and several renowned scientists across the world)

—
NOW_in several CLASSIFIED studies happening for centuries and current century
the power of Plasma water and monoatomic gold in the body is known to create the Energy and spark of life connected to INFINITE energy and Quantum fields that connects multiple dimensions . The vortex around the heart moves through the entire body and quadrillions of water molecules in the human cells can be activated for healing properties, connecting and changing molecular structures of the universe and connected to time travel at Quantum levels.

The knowledge of Jesus and many known and unknown, unnamed Masters all understood the sacredness of the body and prayed to the water. They all knew anything is possible by the creation of the divine.

Tesla accidentally tapped into this knowledge in his classified experiments and this was part of the reason he was killed.

The Nazis classified projects were deep into the vortex of the heart and human body and how monatomic gold levitated.

Several classified military projects through the world know the TRUTH of what's hidden in Antarctica , South Western United States, Old Palestine Samar regions and several places through the world.

There is a reason the deep state poisoned the water with chemicals and chlorine through the world that deactivates the holy water plasma field..... But with sacred prayers and belief and FAITH the structure of Water Molecules activate.

This is why their is a war for your mind and a war for your DNA. You are Sacred.

The Great Awakening .

God wins.

Those who have passed on have experienced the next chapters of creation and the ways of Water (Quantum). Earth (forever vibrating

energy Fields in different forms) Wind (the breath of life and movement) Fire LIGHT (Forever the spark of life INFINITE)

Stay strong Patriots you have much more than you know.
