# The US, UK and Israel Are Just Colonies

by Henry Makow Ph.D. – October 2, 2007

Hardly a day goes by without an article on the Internet blaming Israel for the war in Iraq.

The power of the Jewish neo-cons is analogous to that of Jewish Communists in the FDR era. Carroll Quigley wrote, "the power that these energetic left-wingers exercised was never their own power or Communist power but was ultimately the power of the international financial coterie." ("Tragedy and Hope", p.954)

In my review of "The Red Dragon" last week, I presented the hypothesis that there is only one imperial power in the world: the central banking cartel. Because it creates money out of nothing, it is obliged to buy everything it can. It hides behind the mask of British, American, French or Japanese imperialism, Nazism, Zionism, Communism, etc. but essentially the same people instigate and finance all wars, and profit from them, at the expense of humanity.

(See my "Hitler Used Rothschild Banker's Typewriter")

The fundamental agenda appears to be that of the "The Protocols of Zion" (a "forgery" with amazing prescient power) "to undermine all collective forces not our own" by which they mean all nations, races, religions and family. They intend to sow chaos until an exasperated and exhausted humanity succumbs to their world "super government."

According to "Red Dragon" author L.B. Woolfolk, this ethnic-Jewish dominated "Money Power," operating through the Bank of England and countless corporate fronts, tied up most of the world's wealth as early as 1864.

They are colonizing the world, including the so-called imperialist powers. The most draconian repressive measures are taking place in England, the headquarters of this cabal. They created Israel not as a Jewish homeland but as seat of their future Masonic world government. They instigated the Holocaust to force Jews to support Israel. The Holocaust may have been used to mask the true character of WWII: an attack on Christian European civilization in general by a satanic heretical Jewish sect (the bankers).

The US has been a colony of this financial power for a long time. In 1919, Col. Edward House, a Rothschild agent, spoke of using the League of Nations for the [quote] "peaceful return of the American colonies to the dominion of the Crown." House writes: "The League is in substance the

**Iran Revolutionary Guards' Role Growing** They operate some of Iran's most successful enterprises, from manufacturing and construction to oil and newspapers. Yet while many see them as being at the forefront of Iran's growth,

Empire with America admitted on the same basis as our other colonies."

The "Crown" is a euphemism for this private cartel. Col. House boasts that the "Crown" used U.S. Treasury loans intended for war purposes to buy up oil fields in California, Mexico and Latin America.

"The war has made us custodians of the greater part of the world's raw materials... [We] now largely control the oil fields of the world and thereby the world's transportation and industry."

### WE HAVE BEEN COLONIZED

According to Wikipedia, "colonizing nations generally dominate the resources, labor, and markets of the colonial territory, and may also impose socio-cultural, religious and linguistic structures on the conquered population."

We have not been invaded by a foreign army but by foreign capital. As Col. House intimates, they own a controlling interest in industry, and have used that position to buy the politicians, the media and education.

House described how their "entire system of thought control" was working relentlessly for the adoption of the League. But he could be referring to the Iraq War, Global Warming, the EU, or North American Union, today. I urge you to read this document because their tactics haven't changed.

Back in 1919, Col. House used Canadians and Brits to persuade Americans to join the League. He also used the elite-sponsored YMCA, Red Cross, and Salvation Army.

"The League's praises are thundered by our press, decreed by our college presidents, and professed by our professors. Our authors, writers and lecturers are analyzing its selected virtues... we have enlisted 8000 propagandists for the League. We have organized international and national synods, committees, conferences, convocations, conventions, councils...to herald the birth of the League as the dawn of universal peace."

"Agriculturalists, bankers, brokers, accountants, chemists, and all other functional groups capable of exerting organized professional, business, financial or social pressure are meeting to endorse the League in the name of peace, progress and prosperity...Our film concerns are preparing an epoch-making picture..."

"In short, our entire system of thought control is working ceaselessly, tirelessly, ruthlessly, to ensure the adoption of the League. And it will be adopted, for business wants peace, the righteous cannot resist a covenant, and the politicians, after shadow boxing for patronage purposes, will yield valiantly [is this a threat?] lest the fate of the wanton and willful pursue them."

### COLONIZATION OF THE MIND: FAST FORWARD

Today, the bankers are fomenting war between Zionism and Islam as part of their world colonization plan. Iran is being targeted for its oil wealth, independence and belief in God.

As in the past, they use all available means of "thought control," Jewish or non-Jewish. Most people can be tricked by a slogan or bought for the price of a steady job.

Because they control the media, neo-cons haven't felt the wrath of the American people for Iraq; and are beating the drums for war with Iran.

Recently, the President of Iran was a guest speaker at Columbia University where angry Jews picketed him. The President of the University, Lee Bollinger, called him "an evil petty dictator." Bollinger, who is a Jew, apparently cleared his speech with the Israel Lobby.

Here is an example of how a university supposedly dedicated to truth has

been subverted by organized Jewry to foment war. Throughout history, organized Jewry has been accused of being a Fifth Column. Unorganized Jewry needs to repudiate Organized Jewry!

Of the eight Ivy League universities, only Dartmouth has a President who is a white non- Jewish male. Four have Jewish presidents. The other three have militant feminists. (Feminism, today's version of Communism, envisages a total transformation of society.)

Let's see how this "system of thought control" works. At Princeton, Shirley Tilghman succeeded Judith Rodin, a Jewish feminist who is now President of the Rockefeller Foundation.

Tilghman is not Jewish but, according to an alumnus, she "has pursued an activist feminist agenda to remake Princeton into a liberal paradise ...Princeton is rife with political correctness, multiculturalism, and liberal groupthink."

In 1945," Dartmouth president Ernest M. Hopkins declared that his "is a Christian college founded for the Christianization of its students." In the 1970s and 1980s, Dartmouth entrusted "the Christianization of its students" to two Jewish presidents. In the 1990s, Harvard and Yale also selected presidents with Jewish backgrounds. By 1993, Jews headed five of the eight Ivy League institutions prompting some wags to refer to the "Oy Vei" League.

Whether it's education, media or business, the central bankers regard Jews are trustworthy agents. This is not a racial thing. Jews that forget their task are fired. For example, Lawrence Summers , the President of Harvard was replaced by a desiccated feminist (non-Jewish) after he dared to opine that men had superior scientific ability.

Of course the Freemasons are a prime example of a largely non-Jewish organization secretly devoted to subverting Western Civilization. In England, they have spawned a "charity" called "Common Purpose" which has recruited prominent people (educators, judges, cops, churchmen) entrusted to uphold democracy, sovereignty and the rule of law to undermine all three. They are run out of the office of the Deputy Prime Minister of the UK!

### CONCLUSION

The New World Order is an extension of the imperialism of the "Crown", a clique of Jewish bankers and their Gentile accomplices devoted to "absorbing the wealth of the world" (in Cecil Rhodes words) and enslaving the human race.

We are being colonized by this financial power. The bogus "War of Terror" obviously is directed against us. It is the naked fist of this imperialism. Our jobs are outsourced; our resources are exported. Illegal aliens divide our political culture and dilute our job market. The education system is used for mass indoctrination. News is controlled. Entertainment is filled with trivia, drugs, violence and pornography. Obviously our masters wish to arrest our development.

In every colonial situation, the political and cultural elite consists of people who serve the occupying power. Thus, let's judge people not by their race, but by the service they perform for the invisible invader. And let's not confuse them with the real imperialist "Money Power."

The sooner we see ourselves as colonized, the sooner we can declare our independence.
