### Den revolutionära amerikanska konstitutionen

Här ses varför de som vill mobba sin nästa genom kontrollsystemen är så rädda för den revolutionära amerikanska konstitutionen, som de ser som subversiv. Bifogar även som PDF, länk.

18 U.S. Code § 241 - Conspiracy against rights

U.S. Code Notes                      prev | next

If two or more persons conspire to injure, oppress, threaten, or intimidate any person in any State, Territory, Commonwealth, Possession, or District in the free exercise or enjoyment of any right or privilege secured to him by the Constitution or laws of the United States, or because of his having so exercised the same; or

If two or more persons go in disguise on the highway, or on the premises of another, with intent to prevent or hinder his free exercise or enjoyment of any right or privilege so secured—

They shall be fined under this title or imprisoned not more than ten years, or both; and if death results from the acts committed in violation of this section or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse or an attempt to commit aggravated sexual abuse, or an attempt to kill, they shall be fined under this title or imprisoned for any term of years or for life, or both, or may be sentenced to death.

Section 242 of Title 18 makes it a crime for a person acting under color of any law to willfully deprive a person of a right or privilege protected by the Constitution or laws of the United States.

For the purpose of Section 242, acts under "color of law" include acts not only done by federal, state, or local officials within their lawful authority, but also acts done beyond the bounds of that official's lawful authority, if the acts are done while the official is purporting to or pretending to act in the performance of his/her official duties. Persons acting under color of law within the meaning of this statute include police officers, prisons guards and other law enforcement officials, as well as judges, care providers in public health facilities, and others who are acting as public officials. It is not necessary that the crime be motivated by animus toward the race, color, religion, sex, handicap, familial status or national origin of the victim.

The offense is punishable by a range of imprisonment up to a life term, or the death penalty, depending upon the circumstances of the crime, and the resulting injury, if any.

Detta visar på att vi som hävdar suveräna rättigheter inte är några ensamma galningar utan att många tänker så här. Att de som älskar att använda system för att förtrycka sin nästa hatar detta sätt att tänka är en annan sak. Men deras "entitlement" att de menar sig förstå bättre än alla de "som röstar fel" som gör att de tycker sig ha rätt att fuska i val och att köra över andras vilja håller på att

avslöjas. När det troligast visar sig att i princip inga val de senaste årtiondena reflekterat väljarnas val innebär detta att de inte kan skylla på att "lagarna" är stiftade enligt folkviljan utan de får vackert acceptera att om de vill ha vissa lagar som andra inte vill ha så får de forma sina egna separata lagsällskap med dessa lagar som andra har rätt att stå utanför och ej vara bundna av. Detta att demokratin varit falsk, inte minst på grund av Mockingbird Media, innebär att årtionden eller mer av "lagstiftning" ej bygger på folkets grund och då kan det mycket väl bli så att den amerikanska konstitutionen måste vara den grund alla måste utgå ifrån, i hela världen. Sedan kan de inom den formella privata sällskap med sällskapets regler enbart för sina medlemmar.

In reply to LegeNet "How do we get compensated for the harm done against our unalienable rights referencing the corporate modern letters of Marque?" (Denna länk går till en lokal bloggkommentar där den citerade texten citeras.)

Whoever receives a salary from an entity that is part of a Conspiracy against rights receives spoils from such an initial act of "inland piracy". The U.S. legal term is 18 U.S. Code § 241 - Conspiracy against rights. It follows that reparations can be had from whoever profited, i.e. from every employee receiving or having received salary for participation in the conspiracy. Applying Transnational Criminal Organizations (EO 13773) (The WH will tell you "Biden" revoked 13773, but the FCDs and Military Occupancy shows "Biden" received his Military Funeral on January 20, 2021)) and Racketeer Influenced and Corrupt Organization (RICO) language (<https://t.me/realLegeNet/49332>), any syndicate conspiring against unalienable rights (oföretterliga rättigheter), be it the U.N., the WHO, any NGO, WEF, anyone and their accomplices, both before and after the fact, may be charged under such charges and the offense is punishable by a range of imprisonment up to a life term, or the death penalty, depending upon the circumstances of the crime, and the resulting injury, if any.

RICO conspiracy is coming up, bold added: "The American public has been getting an education for the past 7 years about legal terms like "treason", "sedition", "espionage", "insurrection", "quid-pro-quo", and now "RICO". Stage set. For [them]." (<https://t.me/realLegeNet/51585>).

Employees being offered to pay reparations would be wise to heed the offer when there is any damage to the one asking for reparations lest their criminal liability would worsen for not seeking to repair damage.
