### Weaponized Munchausen By Proxy

(Factitious disorder imposed on another (FDIA), also known as fabricated or induced illness by carers (FII), and first named as Munchausen syndrome by proxy.)

I like that clif successfully is teaching the Chat Bot his own terminology.

Severity	Problem	Description
High	Public Health Crisis	Weaponized MBP can cause serious harm to the victims, leading to physical and psychological damage that can be difficult to treat. If a large group of officialdom is pushing it onto the populace, it could potentially cause a widespread public health crisis.
High	Loss of Trust in Officials	If the public becomes aware that a large group of officials is deliberately causing harm to vulnerable individuals, it could result in a loss of trust in officials and government institutions. "At this time, the secret society cabal that controls most of humanity, and whose public 'face' has been the WEF in recent decades, has been using weaponized MBP to try to kill 13 out of 14 people within humanity. They intend to enslave those who survive this process." "They never thought she would lose. Just as they never thought they would lose. The WEF, as face of the cabal of globalists these last few decades, is losing the war it launched against Humanity.

Their plan for their 4th generation war is very well known, especially now that the elements have been brought out into the open by Humanity's response to being attacked.

The mother WEFfers, the enemy of Humanity, was surprised by Humanity's using 5GUW to repel the attacks upon them. The mother WEFfers were, and are still, thrown off balance by facing a dynamic, developing war response that was completely unanticipated. They had attacked with centralized, top down, ancient, military structure of command, with tens of millions of minions as an army. They attacked in force, in what their planning had predicted was going to be overwhelmingly deadly for Humanity.

The mother WEFfers were crafty, and had been working their plan of conquest of Earth since the 1950s when they went 'live'. They have infiltrated and seized global Media, and global governance (to some degree) by seizing through blackmail, bribery (illicit campaign funding), extortion, and worse, a large number of legislative bodies in the Western Liberal Republics" ( The mother WEFfers are losing., clif high, 2023-03-15T15:05:33.239Z, <https://clifhigh.substack.com/p/the-mother-weffers-are-losing> )

The below text is on how the capturing of the minds was done from 1965 in China, since infiltrated & executed from inside the institutions of the west, many of which that have by now been made into weapons of war against We The People. When these organizations block "hate speech" and the like, they are actually blocking speech that may break through the continued infiltration and complete overtake of the west. I.e., censoring "hate speech" is a weapon of war in the currently ongoing 5:th Generation (global) Unrestricted War #5GUW. Just like in China, the most controlled have very fragile minds, hence the "safe spaces", etc..

Clif High har gett oss försvarsvapen i den psykologiska krigföring vi är utsatta för och jag menar att det är klokt att fundera mycket noga hur dessa bäst kan användas. En instans som kan vara smittad av den psykologiska krigföringen är Myndigheten för samhällsskydd och beredskap, MSB. En annan är Försvarsmakten. Ytterligare en annan är Polisen. Och så vidare. Att ifrågasätta om olika makthavare är under inflytande av överförd psykologisk sjukdom från psykologisk krigföring kan vara mycket effektivt för att påbörja den psykologiska saneringen !!!

English:

Clif High has given us weapons of defense in the psychological warfare to which we are exposed, and I think it is wise to consider very carefully how these can best be used. One body that may be infected by psychological warfare is the Swedish Civil Contingencies Agency (MSB). Another is the Swedish Armed Forces. Yet another is the Police. And so on. Questioning whether various power holders are under the influence of transmitted psychological illness from psychological warfare can be very effective in starting the psychological decontamination !!!

Clif High tog i samtal häromdagen med Dr. Lee Merritt (The War Against You, The Chinese Cultural Revolution & America Today, Dr. Lee Merritt, 4/8/23 8:12 PM UTC) åter upp bl.a. hur vi effektivt kan ifrågasätta psykatrisk hälsa och lämplighet för politiker och andra befattningshavare genom att kräva att de bör utredas för att de är mentalt friska/kapabla att sköta sina uppdrag av tre olika psykiatriker, för att kunna friskförklaras från Factitious disorder imposed on another (FDIA), även benämnd fabricated or induced illness by carers (FI), och först benämnd Munchausen syndrome by proxy. Dr. Lee Merritt invände att psykiatrikerna också kan vara drabbade av detta men Clif High menade att bara det att ta upp detta krav är i sig det som kraschar hypnosen och att dessutom psykiatriker inte alla gör samma bedömningar.

Clif High anser att det är transagendan som är den enklaste att använda för detta eftersom den bygger på Lin Biao's Curse of Trans, ett psykologiskt massförstörelsevapen. Artikeln om hur Lin Biao gjorde detta i Kina och hur hans teknologi överförts som psykologiskt vapen mot väst finns även ovan i kommentar #3.1.

The Israelis have taught me that Collective Guilt is a real thing.

IMO the mother WEFers, those who are duped, stupid, handled & NOT pedophiles had better start being really vocal about how they got all wrapped up with this crew of kid fuckers that calls themselves the WEF or the humans will be thinking you're part of it all. Not a good place to be as retribution wave is building....

so IMO all the mother WEFers are pedophiles & all the Israelis are genocidal monsters.

The Jews taught me that. Collective guilt is what it is called. They were taught it by their ELOhim space aliens gods who conquered the tribes & shaped jewish culture.
