### Det finns ingen preskriptionstid för slaveri.

Denna text visar varför jag alls började driva frågan kring vad person är, samt ställer viktiga frågor till fortfarande ansvariga för vad som ser ut att vara mycket allvarliga övergrepp.  
av LegeNet, 2023-12-28 enligt den västerländska kultens tidsräkning

Jag har tagit del av professor emeritus Jacob W. F. Sundbergs Exkurs ur hans 'Resan utan mål' från 1994, som är en berättelse från insidan av makten över vad som ses som lag och rätt i Sverige under 1900-talet om hur idéer om suveräna rättigheter pendlade fram och tillbaka. Det har varit en kamp mellan naturrättstankar och "du ska göra som vi säger" tankar i det här landet. Vissa ansåg och anser säkert fortfarande att det inte finns något sådant som rättigheter. "Svenskismen", som Ola Alexander benämner denna -ism. Att det en gång i tiden gick lite fram kan förklara varför saker och ting inte är helt under isen i dag. Karriärister följde, för att summera, "överordnades riktningsspekare" och tystade och lät inte komma till tals röster "de överordnade" ej ville veta av. Också intressant att redan i den texten se modus operandi som återkommer i andra länder med att sätta upp olika rättighetsrörelser som i själva verket är till för att sätta stopp för bra tankar och saker.

Den nuvarande nedan publiceringen är alltså menad att skapa vidare förståelse för varför en frågan om person överhuvud taget drivs. Person, nexus osv. osv. är endast av intresse på grund av att oförytterliga rättigheter ej förstås eller respekteras. Det behöver ibland uttryckas, annars avfärdas alltihop som ställetänkande. Vissa menar också att vi avhänder oss rättigheter genom dessa nexus. Om det är kontrakt där båda är helt införstådda med vad man går med på och där det finns ett flertal alternativa kontraktspartners att välja på där minst några av dessa har villkor som inte är orimliga. Kanske då. Men orsaken att jag gillar ordet oförytterliga är just att det i sig har värderingen att det ej går att avvyrtra / bortkontraktera. Jag noterade med glädje att professor emeritus Jacob W. F. Sundberg också använder just detta ord, helt garanterat för att han mycket väl förstår vad jag förstår. På Engelska använder jag ordet unalienable trots att det påstås vara en tidigare stavning av inalienable, just för att delen "un" har samma värdering att det ej går att avvyrtra / bortkontraktera. Det var också stavningen unalienable som användes när Förenta Staterna bildades.

Det finns ingen preskriptionstid för slaveri. Om Marcus Werner vill mena att en omprövning som avser slaveri måste ske senast inom två månader, se överklagandedelen, så har han fel. Han hänvisar bl.a. till inkomstskattelag (1999:1229) (IL) (finns på [https://www.riksdagen.se/sv/dokument-och-lagar/dokument/svensk-forfattningssamling/inkomstskattelag-19991229\\_sfs-1999-1229/](https://www.riksdagen.se/sv/dokument-och-lagar/dokument/svensk-forfattningssamling/inkomstskattelag-19991229_sfs-1999-1229/)) och i hans hänvisning står det om Fysiska personer som är obegränsat skattskyldiga. Att vara obegränsat skattskyldig är att vara slav. Bara för att andra ord används ändras ej innebörden. Hela mitt eget arbete i att rota i vad en "person" är inleddes på grund av detta svar. Det finns hur mycket som helst om att en person är en roll, något en man eller kvinna kan använda. Jag kommer ihåg att jag verkligen sökt en definition för begreppet Fysisk person utan att någonsin kunna finna begreppet definierat. "Det finns inga fysiska personer, begreppet är odefinierat, och därför helt rättslöst. ("Makt är rätt" av LegeNet 2015-09-03 15:00, <http://lege.net/omprogrammering-av-perceptionsmatrisen/qmakt-aer-raettq.html>.) Dock agerar Marcus Werner med flera som om Fysiska personer skulle vara män och kvinnor, alltså som om män och kvinnor skulle vara slavar. Om Marcus Werner och tidigare och nuvarande generaldirektörer såsom Ingemar Hansson med flera män och kvinnor som agerar beslutsfattare vill mena att män och kvinnor genom nexus till fysisk personer, som i sin tur har nexus till diverse tvångsåligganden, att män och kvinnor skulle ha dessa åligganden i kraft av att deras fysiska personer anses ha det, då är detta slaveri. Anser Marcus Werner och tidigare och nuvarande generaldirektörer att män och kvinnor skulle ha dessa åligganden i kraft av att deras fysiska personer anses ha det?

Fourteenth  
LETTER AT THE TURN OF THE TIMES  
TO THE PEOPLE OF GERMANY AND THE WORLD

Dear people in Germany and around the world!

After thousands of years of manipulation by the enemies of humanity, the truth is now beginning its triumphal march.

The truth is neither like champagne, nor like cola, it is pure cold clear water.

It is everywhere, but sometimes so unspectacular and modest, it is in all of us, it is in every soulful life.

Thanks to all the truth fighters!!!

The battle for truth is much more powerful, more important and more protracted, than many of us had perhaps long believed!

Because the oppression of humanity was not just about wars and physical coercion, no: for thousands of years it was about the sovereignty of interpretation.

In the absence of real sovereign rights, the enemies of humanity struggled for the sovereignty of interpretation.

Whoever has the sovereignty of interpretation moulds reality like wax into the existing laws, he does not care about the laws of those who have the real sovereign rights, and of those who, in harmony with the cosmic laws of creation, live in their true rights as human beings.

Speaking the truth is currently defined as hate speech, and this can then be prosecuted.

With this simple trick of enforcing the sovereignty of interpretation across the board, which requires a network of stupid recipients of orders, the whole world was believed to be under control.

In 1871, the year of Earth's misfortune, not only was the true holder of the real Sovereign Rights of the King of Prussia, my ancestor Karl Friedrich Ratzeburg, murdered and proclaimed the foundation of the German Reich with Wilhelm I as German Emperor, it was also the year the UPU was founded.

Initially, it was only necessary to establish global rules as to what should be done with a letter or parcel, a post-vessel so to speak, and what to do with its contents.

At a later point in time, one could then define - sovereignty of interpretation - what a post-vessel is? Earth itself can finally also be defined as such with the content: people, ... everything.

Combine the usurpation of the sovereignty of interpretation, which was simply stolen from the people,

with an excellent counterfeiting industry,  
the possibilities must be endless!  
(A well-known and important example of this is the Donation of Constantine).

The indigenous peoples of the world were dealt with through forced missionary work and forced baptism, by creating an internal body of laws to which they then belonged through baptism.

{New Page}

By declaration, an unwanted king was simply redefined as a tyrant.  
Now the people were even obliged by the given laws to fight him.  
When was he no longer a King, no longer a Sovereign? When he lost his dignity.  
It was easy to manipulate here.  
We have seen in recent years how much it went against the dignity of the people, i.e. against their sovereignty.

The CONCEALMENT OF TRUTH became total.  
But those who want and seek the truth will find it.  
The deception is great, but we, the soulful human beings, also receive help.  
For the truth comes from the divine.

And within us, it defies the widespread bombardment of misinformation, false information and malicious deception.

The truth is now coming out, also for Germany!  
The truth will inevitably reveal itself.  
The true history of Germany, humanity and Earth will be returned to us!

And I thank these people,  
who wanted to tell me the truth and paid such a high price for it!

I thank all the people who carry the truth in their hearts and  
protect it!

The real Prussian Royal Eagle wears the crown on its head,  
it is without the red velvet of the Vatican.  
The imperial orb and the sceptre are purely a clear expression of the spirit of the people,  
and not a sign of the enemies of humanity.

Truth goes to the four winds,  
whoever stands in its centre  
is sovereign.

The soulful human beings are now also taking back the power of interpretation.

With the Bulla of Earth of the third of December 2022, every single person is  
is given an *i n d i v i d u a l* right to resist.  
Never again does he or she have to bow to the collective, the gateway of the enemies of mankind by means of  
control through a collective, total sovereignty of interpretation.  
He is committed only to the truth  
and to the highest divine cosmic laws,  
his conscience.

And so it only remains for me to  
wish us all a festive and merry Christmas.

Our ancestors, the heavenly armies stand behind us.

Sincerely  
Yours  
Stefan Ratzeburg

The WHO is a depopulation organisation and that has been its primary role since inception. The coronavirus was released as a means to an end: depopulation via vaccinations.

Alert: Global Shockwave: Leaked Data Sparks Fears of a Covert War Against Humanity

As a whirlwind of staggering revelations emerges from the data leak in New Zealand, a chilling question echoes across the globe: Was there an intentional scheme to decimate vast populations worldwide?

The mere contemplation of such a scenario sends shivers down the spine. If this turns out to be true, it signifies a war against humanity itself, a notion as horrifying as it is profound. The accumulating data, coupled with the alarming rate of global excess deaths, seems to lend weight to this dark hypothesis as we delve deeper into the mounting evidence.

A poignant discussion between Dr. Naomi Wolf and Steve Bannon, a former advisor to President Trump, delves into this unsettling topic. The video link captures their intense dialogue.

What is increasingly alarming is the growing scrutiny over whether a biological weapon of unprecedented scale has been unleashed by a cabal of globalists. A shadowy group suspected of making a grim decision to eradicate millions, perhaps even billions, of lives worldwide, a thought that is as sobering as it is petrifying.

The implications are staggering. How can humanity continue its journey unchanged, if such malevolence, eerily reminiscent of the Nazi holocaust with its extermination camps and the senseless slaughter of innocents, has indeed been perpetrated?

Should these suspicions be confirmed, the world as we know it would be irrevocably altered. A new, stark reality would dawn, marked by the heavy burden of this unspeakable evil. #WhistleBlower #NewZealand #JacindaArdern #WEF #WEF2030Agenda #DepopulationAgenda #mRNA #CovidVaccine #VaccineInjuries #ExcessDeaths #DiedSuddenly #Myocarditis #USA #Australia #NewZealand #UK #France #EU &#11015;&#65039;&#11015;&#65039;&#11015;&#65039;&#11015;&#65039;&#11015;&#65039; Link to Video&#11015;&#65039;&#11015;&#65039;&#11015;&#65039;&#11015;&#65039;&#11015;&#65039; <https://rumble.com/v40ccxd-dr.-naomi-wolf-the-injections-have-an-ingredient-in-them-that-is-causing-fr.html> &#11014;&#65039;&#11014;&#65039;&#11014;&#65039;&#11014;&#65039;&#11014;&#65039;&#11014;&#65039;&#11014;&#65039;&#11014;&#65039;

Decoding the Globalist Plot: Money Penny's Deep Dive into the Depopulation Agenda and Humanity's Fight for the Future

In an intense and gripping conversation, the formidable Money Penny, once a keen-eyed financial services economist and shrewd trader, now an investigative journalist par excellence, connects with us from the heart of the UK. Her mission? To unravel the chilling truths behind the Globalist New World Order's shadowy schemes.

Is humanity under siege? Why, and most crucially, how can we counter this threat?

Battling the debilitating effects of Long Covid, Money Penny delves deeply, shedding light on the haunting plight of countless souls rendered gravely disabled by this affliction. As a key figure in the Long Covid Research Group, she's not just a researcher; she's a beacon of hope, offering invaluable support to those in need.

Her explosive findings point to a sinister concoction: an artificially created pathogen, the brainchild of top-tier scientists and medical masterminds on a global scale. Her analysis of published works paints a horrifying picture— a disease maliciously engineered, sinisterly spliced with HIV elements.

The enigmatic Dr. Fauci lurks in the shadows of this narrative. What role did he play in the controversial 'gain of function' research, and how does this tie into his interactions with the Chinese CCP?

{ ... Continues ... }

LegeNet, 12/10/23 11:09 PM UTC <https://t.me/realLegeNet/58788>

{ ... Continued ... }

The plot thickens as Money Penny probes the secretive laboratories of Ukraine. What clandestine research was being conducted in those hidden halls?

The crux of the matter lies in the origins of the pandemic. Was it a mere accident, or a cold, calculated release? The evidence points to a high-stakes gamble: the unleashing of a pathogen, setting the stage for a mass vaccination drive, a scheme so diabolical it resembles a bio-weapon, crafted to decimate billions, simplifying the Globalists' twisted quest to dominate the remnants of humanity.

And then there's the World Genome Project, with their unnerving fascination with human DNA. Why this obsessive collection of global genetic data?

The Deagel Report paints a dystopian future—a depopulation agenda chilling in its precision:

By 2025, the UK's heartbeat will slow, its population plummeting from 67 million to a mere 15 million. A staggering 52 million souls, vanished.

The USA faces a similar fate, its populace dwindling alarmingly from around 300 million to just 98 million—a loss of over 200 million lives.

This pattern echoes across nations, a grim testament to a war waged not with guns and bombs, but with something far more insidious.

A war, it seems, has been declared on humanity itself.
